Dear Mr D. Parsons

Just like to tell you that Pearce Construction that came to do kitchen & bathroom - were great. The best Contractors we've ever had in this house. No need to say anything is wrong, as there wasn't, one thing you could have a laugh, Jake and this is good, life is to shout out to have a laugh, and it was all by first name's :- John had all these working under him he was great Steve (Hope you are feeling better.)

Dave (little one)

Dave (Punny one)

Chris (Good luck on your wedding day)

I haven't got a bad word for any of them, I gave them tea & coffee when needed, even our daughters

Said they are all good, its good to know
there are good lads out there to come into our
home's and take care with whats around them.
Our litches & Bathrooms are lovely Thankyou,
lads for making our home lovely, now we
are going to do out our lounge,

Thankyou once again. J. & S. Burgess (Tara)

Dear Tarka,

Tarka, you've got in the right man to do your
Job the best firm for you will never beat them,
in work, happiness, Thankyou Tarka something I've been
waiting for along time in my home is a new kitchen
also for letting us pick what colour, we would
like thats even better it was worth waiting for.
I know one thing since you took over Tarka what you
say that we are hearing we get, you dont fob us
off with just any old things also you are always
there to help. Which is good.

So Thankyou very much
once again and might I say any one of
whose men are welcome to a cup of tea any time
even Tarka.

a Big Thankyou

many Thanks
