Dear Mr Bevan,

Re: Morwenstow preschool building works.

As we come to the end of the autumn term, 4 weeks from the start of the building work, I would just like to express my appreciation to the team from Pearce working at St Mark's School on the Preschool building project. They have worked hard, in challenging weather conditions, have been polite and thoughtful to the children, and have kept me informed of developments, asking if they have a query.

I have been impressed with their attitude and professionalism and ask that you pass on my thanks to them. We look forward to a continued good relationship with them as they complete the building.

Yours sincerely,

A handwritten signature in black ink that reads 'J R Creber'.

Headteacher.
